

Congratulations to the City of Clarinda Parks & Rec on their ribbon cutting for the new playground located at the Clarinda City Park!

The Clarinda Foundation was happy to play a major role in this project coming to fruition with a \$50,000 grant the Board chose to award toward this project.

Please take your children and grandchildren and check it out, or just go take a look at it yourself. Have fun!

To learn more about the Clarinda Foundation and the role we play in the community contact us at 712-542-4412 or email clarindafound@iowatelecom.net.
